

## WAGEINDICATOR PAPER QUESTIONNAIRES META INFORMATION

Most of below questions can be answered by entering either **Y** for Yes, and **N** for No.

In case asked information is not known, answer **U** for Unknown.

If, based on previous answers, a question is not applicable, write **NA** to indicate Not applicable

### META DATA

Answer fields marked with \* are required.

**COUNTRY**  \*

**First locale**  \*

**Second locale (if applicable)**

**DATE Start survey**  -  -  \*

**DATE End survey**  -  -  \*

**DATE Start data entry**  -  -  \*

**DATE End data entry**  -  -  \*

**SURVENR**

**CASENUM range**  -  \*

**Number of paper-based questionnaires**  \*

**Any additional comments?**

**SURVEY MODE**

Answer fields marked with \* are required.

**How was the survey held?**

Answer all sub questions with yes (Y) or no (N).

- a. Face-to-face survey  \* (Y/N/U)
- b. Postal survey  \* (Y/N/U)
- c. Telephone survey  \* (Y/N/U)
- d. Other :   \* (Y/N/U)

**Any additional comments?**

surveys have been printed in a number of women's weeklies and in a few trade union magazines

**SAMPLING FRAME**

Answer fields marked with \* are required.

**Did the survey aim to draw a random sample of the labour force population?**

\* (Y/N/U)

**If YES, what was the frame for drafting the random sample?**

*Answer all sub questions with yes (Y) or no (N) or Unknown (U).*

a. From an address register/list of members

\* (Y/N/U)

b. From the telephone book

\* (Y/N/U)

c. Random walk

\* (Y/N/U)

d. Other:

\* (Y/N/U)

**If YES, what was the size of the initial random sample?**

**If NO, how was the was the target population for the survey determined?**

*Answer all sub questions with yes (Y) or no (N) or Unknown (U).*

a. Was survey restricted to specific geo-locations in the country?

\* (Y/N/U)

\* (Y/N/U)

\* (Y/N/U)

f. Was survey restricted to other groups?

\* (Y/N/U)

If YES to any of above restrictions, please specify:

**Any additional comments?**

## INTERVIEWS

Answer fields marked with \* are required.

### Was the target group for the survey individuals or households?

Answer all sub questions with yes (Y) or no (N) or Unknown (U).

- |                |                                |                                |           |
|----------------|--------------------------------|--------------------------------|-----------|
| a. Individuals | <input type="text" value="U"/> | * (Y/N/U)                      |           |
| b. Households  | <input type="text" value="U"/> | * (Y/N/U)                      |           |
| c. Both        | <input type="text" value="U"/> | * (Y/N/U)                      |           |
| d. Other:      | <input type="text"/>           | <input type="text" value="U"/> | * (Y/N/U) |

### If target groups are selected, how were the selected target groups reached?

Answer all sub questions with yes (Y) or no (N) or Unknown (U).

- |  |                                |           |
|--|--------------------------------|-----------|
| a. In their workplaces/factories/where they work   | <input type="text" value="N"/> | * (Y/N/U) |
| b. In the streets/neighbourhoods   | <input type="text" value="N"/> | * (Y/N/U) |
| c. At meetings/conferences   | <input type="text" value="N"/> | * (Y/N/U) |
| d. At employment agencies  | <input type="text" value="N"/> | * (Y/N/U) |
| e. At schools/educational institutes   | <input type="text" value="N"/> | * (Y/N/U) |
| f. In cafes/bars/restaurants   | <input type="text" value="N"/> | * (Y/N/U) |
| g. From an address register/list of members  | <input type="text" value="N"/> | * (Y/N/U) |
| h. From the telephone book   | <input type="text" value="N"/> | * (Y/N/U) |
| i. From the yellow pages   | <input type="text" value="N"/> | * (Y/N/U) |
| j. From a random walk  | <input type="text" value="N"/> | * (Y/N/U) |
| k. Survey printed in a magazine,<br>Namely: <input type="text" value="SEVERAL MAGAZINES"/> | <input type="text" value="Y"/> | * (Y/N/U) |
| l. Other: <input type="text"/>   | <input type="text" value="N"/> | * (Y/N/U) |

### On average how was the cooperation of respondents during the interview?

Choose 1 answer (A through C)

Skip this question if no interview took place.

A = Poor

B = Moderate good

C = Good

\* (A - C)

**If respondents refused the interview, what was the main reason?**

*Choose 1 answer (A through E)*

*Skip this question if no interview took place.*

A = Hardly any refusals

B = Respondents did not trust the interviewers

C = Respondents had no time

D = Respondents did not like the topic

E = Other reasons for refusal

\* (A - E)

**Any additional comments?**

**INTERVIEW AGENCY**

Answer fields marked with \* are required.

**Have the interviews been held by a professional interview agency?**

\*(Y/N/U)

**If YES, complete contact info:**

Name of agency

\*

Country of agency

\*

City of agency

\*

Website of agency

\*

**Were the interviewers trained to conduct the interviews?**

\*(Y/N/U)

**If yes, how many days did the training last?**

\*

**How many versions of the questionnaire have been used?**

\*

**Any additional comments?**

NA

**DATA-ENTRY AGENCY**

Answer fields marked with \* are required.

Have the questionnaires been keyed in by a professional data-entry agency?

\* (Y/N/U)

If YES, complete contact info:

Name of agency	<input type="text" value="unknown"/> *
Country of agency	<input type="text" value="unknown"/> *
City of agency	<input type="text" value="unknown"/> *
Website of agency	<input type="text" value="unknown"/> *

Were the data-entry typists trained to conduct the data-entry?

\* (Y/N/U)

Did data-entry take place in the WageIndicator web-based data-entry module?

\* (Y/N/U)

Did the data-entry agency apply a double check?

\* (Y/N/U)

If yes, what percentage of questionnaires were double checked?

\*

Any additional comments?

**GENERAL COMMENTS**

Is there anything else to tell about the way this specific survey was conducted, that is not mentioned in this form?
